

SUNBELT FLOORING, INC.
EPOXY FLOORS & COATINGS

LEED™ LEADERSHIP ENERGY ENVIRONMENTAL DESIGN

*Sunbelt Flooring Inc. can help your company get **LEED™** Certified!*

Sunbelt Flooring Inc. is committed to manufacturing and installing floor systems that are functional and environmentally responsible. The following are **LEED™** points in the Indoor Environmental Quality and Material and Resources categories where we can help your project become certified.

Material and Resources

- **MR Credit 1 Building Reuse**
 - Sunbelt Flooring systems can be used to rehabilitate an existing building's floor and extend the life of the facility.

Indoor Environmental Quality

- **EQ Credit 4.3 Low Emitting Materials – Flooring Systems**
 - The Sunbelt 1100® Flooring System meets VOC requirements for floor coatings.

Sunbelt Flooring Inc. can contribute to your building's LEED certification. For further information please contact us at (877) 870-1090 or visit us on the web at www.sunbeltflooring.com.
